

Fruit of the Harvest

REAPING THE HARVEST

Though we still have just \$300,000 to raise to complete our \$3.1 Million Capital Campaign, we are proud to say we have been able to move the students into their new homes. We are utilizing our pristine kitchen and with overwhelming joy, have witnessed the graduation of four students; the first fruit of the harvest. You have been faithful workers in the field by sowing your finances, prayers and time into this ministry. We are excited to recognize the first fruits of the harvest and know there is a bountiful harvest ahead.

We have seen quite a cultural change over the past 30 years and find way too many people need our help. The pressures and influences that affect our children are quite different now than they were in 1978. Now more than ever, we need to focus on equipping the next Joshua generation; the warriors who will stand and fight against evil. As you read about Kim, you'll see her starting age was 14. Although new addictions have been introduced into our culture, Teen Challenge has continued operating on the cutting edge to see lives and families restored.

By God's Grace, we have consistently maintained a high level of success, no matter what the addiction might be. Without you, the success we have been blessed with over the past 30 years would not have been possible. Together, we can make a difference in our community and world.

THANK YOU SPONSORS AND VOLUNTEERS

When our kitchen was down for a week while we made the transition, we called for help and you stepped up! So many volunteers to thank! You came and grilled, organized help from others, you gave financially so we could have catered meals. Others brought dishes and deserts, WOW. Thank you for truly reflecting the servant heart of our Savior.

TEE TIME

A Sandestin Golf and Beach Vacation was donated by Gail and Larry George. Don't miss the chance to win next year. It's not just another golf tournament. It's another way we raise funds for our daily budget that helps house and feed our students. On September 25, 2008, the Annual Teen Challenge Golf Classic was a great success due to the sponsorship and participation of our supporters. We want to thank all of you as well as our host, Lookout Mountain Golf and Country Club, for allowing us to raise funding for our ministry. Your generosity is overwhelming.

Students share first hand how God has touched their lives, freeing them from a life of addictions, pain and sorrow. Roger and the students are available to speak at your church, community function, service club or event. Please contact Zoe or Denise at 756-5558 ext 146 or ext 188 to book a speaker.
