5. The cost for a secular drug rehabilitation program exceeds \$10,000 monthly whereas the cost per student per month at Teen Challenge of the Mid-South, Inc. is approximately \$2000.00. At the time of intake, a pledge of monthly support for \$2000, \$1500, \$1000, \$500, \$200, or other per month, from you, your family, friends and your church, to help offset this cost is greatly needed and would be appreciated. We are funded voluntarily by individuals, churches, corporations, and foundations. We do receive a periodic allocation of food stamps for some eligible students. This defrays only a small portion of the student's monthly cost.
6. There is a Biblical expectation (I Tim. 5:8) that a family provide for the needs of its own. As a Christian program, we try to model Biblical teaching. Many cannot afford 100% support, but you are expected to provide at least some of the monthly support for the student while in the program.  

100% support - \$2000.00 monthly	25% support - \$500.00 monthly
